

The principle and Prof. Son from Daegu National University of Education visited Arahama Elementary School's damaged building

on Wednesday, Oct 17<sup>th</sup>

The principle and Prof. Son from our partner university, Deagu National University of Education in South Korea, visited damaged buildings of Arahama Elementary School. Some of professors from MUE explained the situation at the time huge earthquake & Tsunami hit and how people are reconstructing their life now.

## Introduction and discussion meeting of our support at University Festival

on Saturday, Oct 20<sup>th</sup> and Sunday 21<sup>st</sup>

### Saturday, 20<sup>th</sup>

As part of revival in earthquake project by student union of university co-op, "What can we do for revival of disaster on 3.11", prof. Keiichi Kadowaki reported students' works in volunteer at the library. He also mentioned the problems by considering our experience.

Guests were so interested in college students' volunteer works in Miyagi that they were looking at the posters of reports very carefully.

### Sunday, 21<sup>st</sup>

Volunteer leaders from each team introduced their works, and discussed how they can advertise their works to make more students interested in volunteer. Not only college students and professors of support center, high school students and former professors also joined the discussion. At the end of meeting, leaders finally confirmed the importance of exchanging information to each other.
