JICA's group research & training program in 2012

※ The lecture about earthquake & revival in education

On November 2nd, professors of our center gave the special lecture to visitors of JICA program, which considers revival after massive earthquake, especially support for educational issues. Electric blackboard helped to make the lecture clear and easy to understand with effective visual aids for visitor.

※3rd observational trip to the damaged area of earthquake

Observation of Onagawa community health care center, Kadowaki Elementary school (Ishinomaki) and Arahama Elementary school (Sendai) on November 8th
